Two into one really does go!

I would like to tell you all about when my fantasy of having a threesome became a reality.

It all started when my partner and I went out for a meal with one of our friends, Steve. Steve is a lifeguard, so you can imagine what his body is like.

My partner and I go to the gym a lot so he is in good shape too. The conversation turned to our greatest fantasies. To our surprise, we found we shared a common threesome fantasy.

Soon we were working out where and when we could do it. The boys, randy as fuck, decided it should be that night at our place and I agreed.

Back at our house we had a drink and got going. It was decided I should be blindfolded and then have to guess which of the guys was doing what to me.

I was taken to the bedroom where they stood me in the middle of the room and stripped me down to my knee-high boots, stockings, thong and bra.

The feel of two pairs of lips kissing me all over was sensational. My bra was removed and as they kissed my nipples a shiver ran down my spine. I was bent over and my sopping wet thong was pulled to one side. Two fingers were thrust up my wet, shaven cunt. I groaned as they pummelled my pussy from behind. As I opened my mouth to groan louder a fat cock was plunged into it. I sucked on it greedily, eager for the taste of cum.

My knees weakened as I felt a tongue slurp up and down my pouting pussy lips. I started to cum, at first in just a trickle but then in rivers as

the guys did me harder and faster.

When the guy licking me from behind had swallowed his fill he straightened up, held my hips and slid his meaty bellend up against my mound. With a nudge he was in.

I was being pumped from both ends and loving every minute of it. One of my hands was on one of the guy's balls and the other was resting on the bed to stop me falling over.

They pumped me harder and faster. If my mouth hadn't been so full I would have screamed with pleasure. The first guy shot his load over my arse. Next thing I knew I was being thrown on onto the bed on my back. One of the guys climbed on top of me and started fucking me again.

The other one offered his cock to my lips. I could feel a massive orgasm growing inside me and I squirmed like a mad woman.

The blindfold came free and I looked up to see my partner pumping away at my cunt and Steve with a look of ecstasy on his face as I sucked his hard cock.

Steve shot his cream over my tits and rubbed it in and my body started to convulse as I climaxed. As I did, my partner shot his hot load into my steaming pussy. It was a fabulous night and one that I want to repeat in the near future. If lucky readers will let me!

I am still curious about a threesome with another girl. So if there are any females out there who are interested please, please contact me! Tabitha

Flashing Through The Snow!

The day after Christmas last year, I awoke to find several inches of snow had fallen and I eagerly awoke my husband Tim. I'd always fancied having my photos taken in the snow and now was my chance. We knew our neighbours were away but were unsure when they were due back.

They were a couple of blokes in their thirties who were renting while they worked in Leeds. I hadn't spoken to them, but I did think one of them was gorgeous I

dressed in my open cup bra and just my stockings, suspenders and ankle boots. It was freezing and after several poses I came in to get warm.

Tim poured me a large brandy which I drank in one go. I felt it warm up my body and my clit started to throb as I got horny.

The last shot was of me on my hands and knees and when Tim had finished I made a grab for his flies and unzipped him. His cock was still soft but after a few seconds of sucking he had a major woody. Suddenly he gasped that someone was

We love Jenny over here at Escort, she's just so much fun to be around, and she's pretty hot too, which is always a plus for us, and for you! Also, there aren't many models who can make a dodgy looking staircase and a filthy looking concrete floor look as sexy as she can. We'd shoot her all day long if we could!

The last time Allie appeared in one of our magazines she had the good grace to enjoy some cock deep up inside her and a face full of cum. For Escort she's decided to cum alone! "Yeah, I've never hidden the fact that I love being a slave to a great big dick, but on this occasion, I wanted all of the attention to be just on me!" That's fair enough with us, and with one less giant cock in the room it means our chances just got a little bit better! "That's cheeky, I'm still recovering from last nigh so I'd say that your chances are slim to none!"

REAL WIFE SEX

RED-FACED FOR ALL THE RIGHT REASONS

I thought I'd write in and share my recent naughty confession with your readers – I hope you enjoy reading it as much as I enjoyed doing it! I'd been playing the dating game for the last year or so without much success.

Most dates usually insist on taking me for a few drinks, or a meal, when I knew that all they really wanted was to get me out of there and back to their place. That was until I met Mark. From the moment we met, he treated me with total respect, insisting on not letting me pay for anything and it was clear that he was pretty loaded. He was well known in each of the restaurants he took me to and I was treated like a queen each time. After a

few dates we hadn't even gone past a snog, let alone gone back to his. On about our fifth date, we left yet another restaurant, and went around the corner to what looked just like the doorway to someone's house. A very welcoming bouncer soon opened the door, and Mark told me that it was his private member's club where he liked to come to drink late at night. Inside, the interior was beautifully decorated and candles dimly lit the whole place. He seemed to know everyone in there and showed me off like he was incredibly proud. I was so excited, just soaking up the atmosphere, as I'd never been

anywhere like that before. Just when I thought it couldn't get better, we were shown through to a private room that he had booked within the club. There was champagne already on ice, and a circular leather sofa around a small candle-lit table.

to give a good blowjob, and spent minutes licking up and down his thick veiny shaft, flicking my tongue under his uncut foreskin and taking his (pleasantly) shaved balls in my mouth slowly, one at a time. When I finally sunk my head over his prick, I felt it pulse and flex with pleasure against my tongue. He certainly wasn't playing the gentleman role now, his palms on the back of my head, pushing my face over his length.

His dick pushing against the back of my throat, I could hear his heavy breathing and knew I could make him come right there and then. Sucking my cheeks in, I slowly lifted my head up and off his dick, slurping my tongue against the tip one last time, before leaving it throbbing with expectation. I stood up, my eyes fixed on Mark's at all time, and began to strip my dress from my body seductively. I could taste Mark's pre-come in my mouth, and as I shifted my panties down over my thighs, Mark reached down and grabbed his cock.

"Now, now," I said, "don't get too excited yet," and he instantly took his hand from himself. I could see my naked body in the mirror as I walked towards him and went to mount him. As I lowered myself onto him, I parted my soaking pussy lips with my splayed fingers and teased his swollen end a few times, just letting his foreskin and my cunt lightly connect. Unable to contain himself, he roughly grabbed my hips and shoved me down hard over his aching pole. I ground my arse against his balls as I began to fuck him slow and hard. My tits were in his mouth and he sucked at the nipples roughly as I began to speed up my rhythm.

I grabbed the champagne bottle from the ice bucket and poured it over my chest, making him lick at my boobs even more frantically. I had never felt so horny and decadent, and I leaned back swigging from the bottle, watching my ample orbs bounce in the mirror as I rode his prick.

One hand holding the bottle to my lips, I began to frig my clit with the other, as Mark cradled my arse, driving his length upwards hard into my twat. His face flushed and I knew he was about to come, so I began working myself hard with two fingers. I was lost in my own world of pleasure and the instant I felt a jet of come inside me, my whole lower body filled with warmth and I let out an uncontrollable scream of pleasure.

Mark kept on filling me up, and our juices mingled as I wrapped my arms around his neck, pulling in close to grind out the rest of my orgasm. By the time we had finished, the leather sofas glistened with our come, and my clothes were strewn around the room. I gave Mark a guilty giggle and said, "We'd better clean up the mess." He just smiled and replied, "Oh, somebody will do that for us, don't worry." Now that really was something I'd never experienced before and I could definitely get used to it!

I've seen Mark a few more times since and, yes, we have got up to all kinds of indecent behaviour. He certainly has a kinky streak, which is coming out more and more – if you're lucky, I may well write in again and share another horny experience with your readers again...

Within moments we were clinking together our two glasses and after all the wine with the meal, it went straight to my head. So grateful for my wonderful night, I began to kiss him passionately and my hands were wandering all over his body for the first time. Half-expecting him to be the gentleman and politely push me away, I paused to see his response.

To my surprise he instantly began to run his hand along my thigh and under my short black dress. His other hand peeled the straps away from my shoulders until the material hung loose over my tits, my bra half-exposed. I glanced at the door, instinctively, to see if anyone was coming in, but he instantly reassured me, saying "No-one will disturb us in here, I pay enough for this room." "Really?" I coyly questioned, before adding. "I'd better make sure you get your money's worth then." I slid from the sofa, my breasts just about spilling out of my dress, and began to unzip his flies slowly and seductively. I saw his chest heave up and down with anticipation, and as I pulled his dick free of his boxers, I heard him catch his breath. I know how

coming, but I misheard and prepared for a mouthful of spunk. I froze when I heard a loud cough and looking round I saw our two neighbours looking at me open-mouthed. They did not seem too happy at what they saw so I hurried inside leaving Tim to try and stuff his boner into his jeans. He stayed outside and tried to apologise to the two blokes and then he came inside looking stony-faced. I thought maybe the police were getting involved. Then Tim told me the men wouldn't complain as long as they could watch another photo shoot. I readily agreed and told Tim I hoped it would go much further. This seemed to please him very much. I dressed in my red basque and put on a Christmas hat while Tim went down to fetch the guys. We had a couple of large drinks before I got down near the tree and started to pose while Tim snapped away. I slipped out of my basque to reveal my big tits and I noticed tell-tale bulges in the blokes' jeans. My nipples were quite erect, but Tim suggested Shaun and Dean give them a good

sucking to get them even harder. They were off the settee in a flash and I was soon moaning in pleasure. Tim put a cushion under my head and as I lay back I felt their hands exploring my pussy. As Shaun fingered my wet hole, Dean played with my clitty until I came with such force that my screams startled them both. I was desperate to feel some cock in me and I made a grab for both the fellas' cocks. Shaun's was just how I imagined it - nice and fat and long.

Although Dean's cock was quite long, it was very slim and a wicked smile spread across my face as I thought where that one would be going.

Dean must have read my mind as he said he would love to fuck me up the arse. I positioned myself on the floor and lifted my arse in the air for Dean to fill. I took Shaun's monster in my mouth and started to give him the blow-job of his life. I gasped as Dean thrust into me then screamed with pleasure as Tim slid under me and lapped my cunt.

My orgasms were coming frequently and I was in heaven until I felt Dean suddenly start thrusting

harder before his cock stiffened and flooded my arse full off his spunk. He pulled out of me as Shaun gasped and, pulling his cock out, wanked into my open mouth.

I savoured and swallowed all of his spunk. They had a short rest before I sucked them both back to life while Tim fucked me slowly doggy-style. This time, I sucked Dean all the way while Shaun sent me into raptures with his large cock. I lost count of the number of times I came before he shot his cum deep inside me. Jayne.

A full-page photograph of Elle Hunter, a blonde woman, sitting on a tiger-print sofa. She is wearing a black lace bra and matching black lace underwear. She is looking directly at the camera with a slight smile. In the top left corner, the word "Elle" is written in a stylized, red, outlined font. The background is a plain, light-colored wall.

Elle

The editor of one of our other magazines has got a bit of a crush on Elle Hunter, and it's not difficult to see why. "Tell me, who is it, I have to know!" Sorry, our lips are sealed. "That's mean to say that and then not tell me." So, tell us Elle, what have you been up to recently? "I've had a couple of chilled months; I turn into a couch slob and watch TV and order in takeaways while I'm waiting for my boyfriend to come home. That's when the fun starts and I try and work off as many calories as I can with him. You'll probably have noticed all the throws on the couch, they're far easier to clean!"

Needless to say we initially regretted offering Kimmy a free bar during her photo shoot! But as time went by we realised it was the right decision as she really opened up (her legs)! And by the end of the shoot she'd swapped swigging the champagne down one hole and repositioned the empty bottle in another! Check it out at paulraymond.xxx

ZARA

Gorgeous red-head Zara was only supposed to pop into our office to pick up some magazines but one thing led to another. I mean, when someone goes out dressed like this you can't miss the opportunity can you? We would have loved to see the faces of the other diners when she popped into a swanky Surrey restaurant shortly afterwards for a date!

Janey

Ironing certainly isn't the most glamorous of things, but when the woman in question strips off halfway through and starts fucking herself with a rather large pick dildo things get a little bit interesting don't they? Janey has most definitely left an impression after her debut in Escort, we look forward to seeing her again soon!

"I'd never tried anal before until my husband insisted on us giving it a go! I was a bit nervous at first, but you know what they say, 'once you've tried it you never go back!' I gushed cum!"

you only live once so I told Sam I would tell him when I was ready for it. In the end it happened without me even knowing! I was in the bedroom getting my sexy gear on. My cunt was getting moist and twitchy at the thought of being handcuffed to the chair that Sam was setting up downstairs. We'd done it a few times and as far as I knew there were only me and Sam in the house. I entered the room to find Sam with his cock standing to attention and ready for action. He walked over to me, tied a blindfold around my head and told me not to say a word. He handcuffed me to the chair and began kissing me.

He was going to enjoy the night, and so was I. He told me to imagine it was a girl doing what he was doing to me, and I let my imagination run wild. He kissed me hard and then went straight between my legs where my juicy cunt was aching for a good licking and a fucking. I was getting wetter by the minute. He stuck his tongue up my juicy cunt and I moaned aloud. Suddenly my legs were spread open and my thighs were gently stroked. A hand softly touched my pussy and Sam asked me whether I thought it was him or someone else. My pussy was being rubbed in all the right places and I felt a finger enter my

wet cunt hole. It felt so good and I moaned in pleasure as another finger felt its way into my cunt. My pussy was rubbed harder and faster, getting a good finger fucking. My cunt tightened and I knew I was about to cum. Just as I was

getting another licking my blindfold slipped slightly and I got a peek across the floor.

I saw Sam's leg and it looked like he was standing up. I wondered who was licking my cunt, and guessed it was probably another woman if Sam had anything to do with it. My pussy was being licked, sucked and fingered by another woman and I never thought I could have enjoyed it so much as I did. I'd cum five or six times already by then.

Sam must have been pulling his cock extra hard at the sight of this girl on girl action. My twat needed something big in it and I think she sensed that. I reached up to get out of the chair and I felt her gentle hand touch my arm then waist. She led me to the floor and we kissed. She put her hand on my pussy and started to rub it slowly.

I stopped completely still and she sucked my cherry hard nips. I heard a buzzing noise and I knew I was really going to get it. She got me down on all fours and teased my bud with the dildo. It made my cunt hole really wet and that's when she rammed it in right up to the top.

"Oh fuck that juicy coat!" I moaned out loud. Sam asked me if I wanted it deep and hard. I said I did and that's how I got it. I came again and again. I was incredibly wet and so was my buzzy friend. I began to buck faster onto the big plastic cock. It was so deep in my cunt it hurt but that didn't stop me cumming.

Sam was close all the time. He must have been behind me so I wouldn't think there was anyone there but him. If

the blindfold hadn't slipped I

would have thought it was Sam doing all this.

I was getting fucked by a woman with

a dildo and enjoying every second of it but I didn't ruin the game by taking the blindfold off.

Afterwards we talked about our session. I told him I'd seen his leg while I was getting my cunt eaten in the chair and he confessed it was another woman.

He told me she was called Diane and had liked me a lot. She'd done most of the work while Sam got his cock ready to fuck me (which he did, up the arse, after she'd finished with the dildo). I'm going to meet her face to face next week. Can't wait! Debra.
